

# Parallel-NetCDF 1.1.1

We released version 1.1.1 on 27 January 2010. This release addresses bugs caught since 1.1.0.

## Major Bug Fixes

- "make install" to handle pnetcdf.mod ([r732](#))
- problem with C++ compilers and pnetcdf.h ([r733](#))
- build problem with openmpi ([r736](#))
- re-entering define mode could scramble data ([r742](#), [r747](#), [r748](#))
- previously, there was no good way to test for Parallel-NetCDF version. now there is: ([r765](#))
